CERTIFICATE III IN GLASS & GLAZING

CRICOS Course Code: 118350J

Qualification Description

This qualification reflects the role of individuals involved in manufacturing, processing, moving or installing various types of glass products. Job roles may be in glass processing, glazing or designed glazing in both residential and commercial operations.

Workers use a range of technical knowledge to perform skilled work involving known routines, methods and procedures. They use discretion and judgement to adapt and transfer their skills and knowledge to different job needs and take responsibility for their own work within organisational parameters.

Resources & Facilities

Students will have access to a fully equipped, industry standard glass and glazing facility and a theory classroom.

Delivery Mode

Full time face to face formal classes

Course Duration

Full-time 52 weeks.

Enrolment Application Fee: \$250.00 (non-refundable) **Materials Fee:** \$5000.00

Overseas Student Tuition Fee: \$24,000.00

Once enrolled, these fees will not change for the duration of the student's enrolment. Fees may, however, change for new intakes, and these will be clearly reflected in all marketing materials and in student enrolment agreements.
