CERTIFICATE III IN CARPENTRY

CRICOS Course Code: 118347D

Qualification Description

This is a trade qualification for carpenters in residential and commercial workplaces. It includes setting out, manufacturing, constructing, assembling, installing and repairing products made using timber and non-timber materials. It's a hands-on program designed for people who want to begin a career as a carpenter without doing an apprenticeship. Helps develop your professional Carpentry skills to perform, observe analyse and evaluate building operations as if you were running the Carpentry component of the build.

Resources & Facilities

Students will have access to a fully equipped, industry standard carpentry facility and a theory classroom.

Delivery Mode

Full time face to face formal classes

Course Duration

Full-time 52 weeks.

Enrolment Application Fee: \$250.00 (non-refundable) **Materials Fee:** \$3000.00

Overseas Student Tuition Fee:

\$24,250

Once enrolled, these fees will not change for the duration of the student's enrolment. Fees may, however, change for new intakes, and these will be clearly reflected in all marketing materials and in student enrolment agreements.
